I'll forward you the call-in info. I tried to get John to tell me when the borehole video discussion would occur but haven't heard back. Maybe we can ask him to have that topic first so Steve and Randall can bail once that's done.

Ayn:

Randall has received and viewed the second video of MW02. He and Steve will sit in on the part of the meeting this afternoon concerning this topic.

I would like to listen in on the whole meeting if possible.

Could you send me call in information.
